

JULY, 2021

Greetings From Liliam

Brothers and sisters of Prince of Peace,

We cannot stop thanking God for the life of Father Tom who with his love and support gave us his helping hand at all times to the projects in Las Mercedes.

Our prayers from each of our children and from the different programs for him will be continued. We also pray and welcome Father Michael, for whom we also pray that his ministry will always be guided by the hand of God.

In Hogar Suyapa we continue with online catechesis from Las Mercedes parish, just as their classes continue online from school, college, and University. In Honduras we continue to wait for vaccines for some of our employees. We still have 6 without vaccines, praying to God so that next week can be achieved.

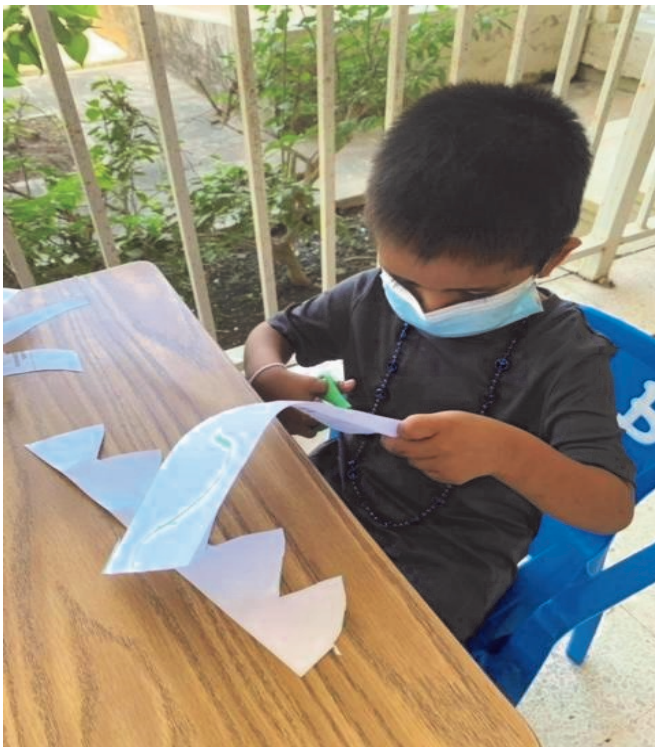

Our little ones continue to be guided by Psychology through the nannies with their fine motor and gross motor work.

We pray every day to Maria de Suyapa because our love project continues with many people joining every day and of course waiting for the pandemic to end and you can visit El Progreso.

Thanks so much for your continue support.

Love and hugs from all your family in Las Mercedes.
