Hogar Suyapa News

The children are preparing with activities to celebrate Mother's Day to all their aunts and moms here at the home on the second Sunday of May!

The staff continues to be trained by the psychologist and the director of the home so that child care is efficient and done with love.

Our dear Marthita turned one year old. grateful to God for a miracle that day by day we enjoy watching her grow.

We are grateful to Pop for the beautiful welcome they gave us on our recent visit. A visit that is priceless and that unified and strengthened our bonds of friendship. Thank you Prince of Peace for continuing with us and giving us your helping hand.

Marthita Happy Birthday

News from POP Sister Parish Ministry

On April 26 we welcomed our 3 visitors from Honduras. We spent the following days visiting high schools and POP in the hopes to raise awareness of how much we need their help. Students are very excited about visiting and holding fundraisers to help with rising costs. Liliam spoke at all of the masses and POP gave welcome support.

Liliam helped crown Mary on May 1 and spoke to the school, asking them to love and respect their parents. At the Hogar, the children would give anything to have them.

Thank you so much POP, for supporting a much needed ministry and most of all, thank you for your prayers! These children know they are loved.
